NAVIGATION AND PRINTING

The printed contents links to every office and election cycle. The PDF outline continues through state and individual district or statewide race. Race blocks run continuously instead of forcing one state or contest onto its own page. Every candidate record retained in the archive appears with party, votes, share, and incumbent status when available.

Special-election records remain winner-level when the underlying archive contains no complete candidate tally. A dash means unavailable, not zero. Provisional or uncalled contests are labeled and are not converted into certified outcomes.

U.S. Senate Results

Every archived statewide Senate ballot contest is included. Short-term, full-term, and special general-election ballot lines remain separate when the archive records them separately.

1900 U.S. Senate

OFFICE	RACES	D WON	R WON	OTHER/U	D VOTE	R VOTE	MARGIN	UNDER 5
HOUSE	357	152	199	6	43.38%	52.08%	-8.69 D	58
SENATE	0	0	0	0	-	-	-	0

McKinley and Roosevelt defeated Bryan 292-155 in the Electoral College and by 860,632 votes in the structured national ledger. The official 57th House division was R 200 - D 151 - Populist 5 - Silver Republican 1; the Senate opened R 52 - D 31 - Populist 4 with three vacancies. The searchable race ledger preserves the initial Missouri 12 result and therefore differs from final House organization by one Democratic/Republican seat.

1902 U.S. Senate

OFFICE	RACES	D WON	R WON	OTHER/U	D VOTE	R VOTE	MARGIN	UNDER 5
HOUSE	386	176	207	3	44.10%	50.55%	-6.45 D	48
SENATE	0	0	0	0	-	-	-	0

After reapportionment from the 1900 census, the official 58th House opened R 207 - D 176 - Independent Republican 3. The Senate opened R 57 - D 33. No national presidential contest occurred.

1904 U.S. Senate

Roosevelt defeated Parker 336-140 in the Electoral College and by 2,546,144 votes in the structured national ledger. Maryland divided its electors 1 for Roosevelt and 7 for Parker. Republicans expanded to an official 59th House division of R 251 - D 135; the Senate opened R 56 - D 32 with two vacancies.

1906 U.S. Senate

OFFICE	RACES	D WON	R WON	OTHER/U	D VOTE	R VOTE	MARGIN	UNDER 5

The regular House election returned R 222 - D 163 - Independent Republican 1. Oklahoma's five first voting seats added four Democrats and one Republican after statehood, bringing the official 60th House to R 223 - D 167 - Independent Republican 1. The Senate opened R 60 - D 31 with one vacancy.

Methodology and Sources

METHOD. Regular contests are grouped by office, cycle, state, and district. Every candidate object in the archive is rendered. Vote and percentage fields are printed only when present. Presidential electoral allocations, special circumstances, certification status, incumbency flags, and prior-cycle comparisons are retained where available. The dense layout removes forced state page breaks but does not remove race data.

KNOWN LIMITS

- The 1900 election preceded Roosevelt's September 1901 accession but is included as the election that placed him on the successful McKinley-Roosevelt ticket and created the 57th Congress.

- President William McKinley died on September 14, 1901, after being shot on September 6. Vice President Theodore Roosevelt then became president.

- The 1908 presidential and congressional election is reserved for the William Howard Taft volume to avoid duplicating a full regular cycle.

- Every regular cycle preceded the Seventeenth Amendment. Senators were generally selected by state legislatures, so no direct-popular Senate race ledger is printed; official opening Senate divisions are supplied in the administration-control table.

- The Clerk's continuous election-statistics PDF series begins in 1920. Searchable candidate tables therefore use structured historical transcriptions checked against official House, Senate, National Archives, annual House-election, and historical roster controls.

- Some state tables omit unopposed returns. Those contests retain the certified winner from the annual House crosscheck while unavailable vote totals remain blank rather than being estimated.

- Maine held congressional elections in September. Its November presidential returns are retained separately and are not duplicates.

- Pennsylvania elected two at-large representatives on a shared multi-member ballot in 1900. The two certified winners receive separate seat rows, while the party-vote aggregate is counted once.

- The 1900 election-result ledger records the initial Missouri 12 result for Democrat James J. Butler and therefore totals D 152 - R 199 - Populist/Silver Republican 6. A later successful contest left the official 57th House division at R 200 - D 151 - Populist 5 - Silver Republican 1.

- The 1902 official House division separates three Pennsylvania Independent Republicans from the Republican conference. They are normalized to OTHER in the seat ledger while their ballot circumstances remain stated.

- The 1906 regular election filled 386 seats and produced D 163 - R 222 - Independent Republican 1. Oklahoma's five first voting members, elected after statehood in 1907, brought the official 60th House to D 167 - R 223 - Independent Republican 1.

- The special-election section is a complete winner register for voting House seats in the scoped administration. Its 58 rows include five Oklahoma statehood seats and three vacancy contests that changed party; unavailable full fields are not estimated.
